

# Bluetooth Stereo Headset BH-505

Stay active. Stay entertained ...

*The Nokia Bluetooth Stereo Headset BH-505 is a lightweight, wireless headset that brings clarity to your music and calls.*

## design

This stylish headset features a lightweight neckband for all-day comfort, and a variety of different earpieces designed to fit perfectly in your ear.

## audio quality

Advanced DSP (digital signal processing) technology offers high-quality audio and helps reduce distracting background noise as you talk.

## reliability

This robust headset received a high IP rating of 54\* for splash resistance, making it the perfect companion for all your outdoor activities.

\*International Protection ratings classify the degree of protection provided against the intrusion of matters in electrical enclosures.

## near field communication

NFC technology allows you to quickly pair and connect your headset with a compatible NFC handset by simply bringing them close together.
